Dear Dr. Phelps:

I live but a moment to
with, as I am going hence. I pre-
sume we shall not send Dr. Root
to Massachusetts, ~~but~~ nor advise
him to accept an appointment
from the Miss. The. Soc. But if he
wishes & will ask it, we shall readily
release him for any engagement
to us, as we have never sought to
retain agents against their will.
Dr. Stanton is absent, & so I write
this much. —

Be with you brother

Joshua Leavitt
